Versatility

- Designed for use on many hard, non-porous surfaces.
- It is used in dilution of 1: 512
- Apply by spray, sponge or cloth or submerging utensils.
- **Safe to use**
- Registered with EPA
- Does not contain silicates, phosphates or butyl cellosolve.
- Does not contain alcohol and is not flammable.
- Completely biodegradable

For use in:

- Food services
- Schools
- Food service contractors

Quaternary Sanitizer

Gascó Quaternary Sanitizer is a concentrated sanitizer for third sink use, where food trays and utensils are sanitized. For use in cafes, restaurants and other food preparation centers. Kills 99.99% of the most common germs and viruses, including HIV, Corona Virus (COVID-19), e. coli, s. aureus and many others.

Instructions for use

Dilution: 1: 512

One bottle produces 512 gallons (1946 Liters) of sanitizing solution. Dilute at the rate of 1 ounce per 5 gallons of TEMPERED water. **DO NOT USE HOT WATER.**

To be used as a disinfectant for eating utensils, dishes and pots

1. Add one ounce of product to 5 gallons of water in a sink. Use a suitable dispensing pump.
2. Mix well and test concentration with a test strip. It should indicate 200 ppm.
3. Immerse utensils, crockery, and trays in the solution.
4. Remove utensils and set to dry. Do not rinse.
5. If the product had contact with the skin, please rinse.

Chemical Specifications

Properties	
Appearance:	Liquid
Color:	Clear
Flashpoint:	Not flammable
pH:	7
Fragrance:	None
Water solubility:	Complete
Relative Density:	1.00
EPA registration:	1839-86-81974

Packaging available

Code	Description/Package
D10040	4/1 gal.
D13004	55 gal.
D10041	5 gal.

Hazard Classification

HMIS**		NFPA*
1	Health	1
0	Flammability	0
0	Reactivity	0

4 = very high, 3 = high, 2 = moderate, 1 = light, 0 = insignificant

** USA Hazardous Materials Identification System (HMIS).

* USA National Fire Protection Agency (NFPA).

Security

Make sure your employees read and understand both the safety sheet (SDS) and the product label before use. The label contains information on correct use, hazard warnings, precautions, and first aid procedures. Our SDS are available in English and Spanish at www.gascoindustrial.com, with your service representative or by calling us at 787.737.4000
