Bath & Tile Cleaner and Disinfectant

EcoClean Bath & Tile Cleaner and Disinfectant is a product that cleans, disinfects and deodorizes any bathroom surface. Eliminates the viruses of AIDS (AIDS), MRSA, Hepatitis B, C, and others. Removes residues and calcifications.

Instructions for use

This product is diluted to a concentration of 4 ounces per gallon in a dilution system.

1. Fill spray bottle into dilution system.
2. Spray directly to the dirty surface.
3. Allow product to soak in for several minutes.
4. Remove with a stiff bristle brush.

Precautions

Do not mix with other products. This product irritates the eyes. Exercise the necessary precautions to prevent contact. Avoid contact with skin.
